From the Managing Director, APDWSC, Vijayawada, Letter No.RWS&S/Correspondence/Drinking Water Corporation/17-18, dt:07.06.2018.

ORDER:

In the reference read above, the Managing Director, A.P Drinking Water Supply Corporation has stated that, the Corporation has initiated the process for executing drinking water supply projects in the State. The project has been designed with a projected population growth till 2040. The bidders have to use high quality materials in the construction process. Unchecked and unregulated usage of material sourced from different bidders would mar the vision of the program. To ensure high quality, it is need to empanel reputed and reliable agencies/firms from whom the contractors have to procure quality materials. The M.D., APDWSC has therefore, requested to constitute a committee for inspection of the manufacturing facilities by a team of competent and Senior Engineers.

2. Government, after careful examination of the matter, hereby constitute a committee with the following members for inspection of the production and pre-delivery quality control facilities and to assess agencies production and QC processes.

1. Managing Director, APDWSC
2. Engineer-in-Chief, RWS&S
3. Project Director, APDWSC
4. Chief Engineer, RWS&S, on a rotation basis
5. One Engineer nominated from the O/o. Public Health, not below rank of Deputy Chief Engineer / Superintending Engineer.
6. One Superintending Engineer, RWS&S of any district, on a rotation basis per site visit.

3. The Managing Director, A.P. Drinking Water Supply Corporation, Vijayawada shall take further necessary action accordingly.

4. A copy of this order is available on the internet and can be accessed at www.ap.gov.in/goir.
